100° CENT-DEGRADE

When young girls as beautiful as this get into themselves in a private sauna the temperature is not the only thing likely to rise. If you want to actually hear Allison stroking and satiating herself, and enjoy her writhings in live action and full colour, this sequence appears on the 009 edition of the world's top selling adult video cassette, *Electric Blue*. Not recommended for those with a coronary condition.

'Most guys tell me I'm a lot of fun to be with – and I'd like to think they mean that in a manner other than sexual. Let's face it, sex can be wonderful, but if the person you're with is a bit of a bore, then you soon tire of the sex and seek pastures new.

'Now me, I just love a good laugh, as long as it isn't hurting anyone. One of my favourite pranks is to go out shopping with very slinky underwear on under my dayclothes. You know the kind of thing – fishnet stockings, suspenders, lacy black briefs and low cut bra.

'Then when I'm trying-something on in the changing rooms, and it doesn't suit, I'll walk out into the shop in just these undies and give all the bored husbands and boyfriends a good show. It never fails to get the eyes – and sometimes the trousers – bulging.' ♣
